

NOBAMED Paul Danz AG

NOBAHAFT[®]-crepp

REF 465008

Product Description and Purpose

The cohesive elastic bandage, 8 cm x 4 m, consists of a fabric with crepped surface and does not contain latex. It adheres only to itself, but not to skin or clothing and is used for the fixation of wound pads.

Note:

During application, cohesive bandages should only be stretched slightly as otherwise the arterial blood supply might be disturbed

Contra-Indications

Known allergy against a component listed below

Composition

Polyamide, Viscose, latex-free polymer

Normative and Legal Requirements

NOBAHAFT[®]-crepp is a medical product according to the MPG, the directive 93/42/EEC and the regulation MDR (EU 2017/745) and is classified as class I, rule 1.

The product does not contain dangerous toxic substances according to REACH.

It has CE marking and DIN EN ISO 15223-1 labels on all its packaging.
