

Safe 3

Visor Carrier

Stand-alone visor carrier. The SAFE 3 carrier can be used as a stand-alone visor carrier or together with Hellbergs headband or neckband-style hearing protection. The robust browguard protects from flying particles, is lightweight, comfortable and fully adjustable to various head sizes. It is designed to offer the wearer high protection and comfort. Choose our ready-made combination, or select your own combination of carrier and visor.

Overview

Quick and easy visor assembly

The face protection system mounts easily to any Hellberg hearing protector as well as safety helmets and stand-alone visor carriers. And it is as easily removed, perfect for when you are switching between different work tasks in noisy environments.

Two wearing positions

A smooth pivot movement to lift the visor up into a firm stand-by position, and back to working position.

Adjustable sizing

Fully adjustable to various head sizes.

Washable and replacabe parts

All parts are replacable and washable, for a long lasting and hygienic protection.

Features

- Robust yet light weight
- Ready-made visor combinations available
